# Romantic Journey

会いたかった 会いたかった…君に届け！  
この声は消えないよ

Romantic Journey  
ずっとずっと会いたかった

どこかで見たの？  
思い出の場所とよく似た空  
ああなんて懐かしい  
胸さわぐときめきが 始まりを告げたよ  
新しい夢

Romantic Journey  
追いかけてみたら どんどん遠くなった  
なんでだろう  
だからこそつかみたい つかまえてみたい  
なんとでも君と冒険したいって  
変わらないよ 飛びだすよ一緒にね

会いたかった 会いたかった  
こころが探してる いつでもいつまでだってね  
会いたかった 会いたかった…君に届け！  
この声は消えないよ

Romantic Journey  
やっと会えたね君と

いつかの笑顔  
思い出の香り胸をゆらす  
ああ待ってた 忘れないよね？  
胸のなかときめきは 永遠を刻むよ  
終わらない夢

Romantic Journey  
Romantic Journey

いまの君と冒険したいんだ  
さあ行こう 飛びだすよ一緒にね

会いたかった 会いたかった  
こころが探してる いつでもいつまでだってね  
会いたかった 会いたかった…君に届け！  
この声は消えないよ

Romantic Journey  
やっと会えたね君と

まだまだもっと まだまだもっと  
続いてく物語は 君が願う扉を開く

Romantic Journey  
ずっと会いたかったから

Romantic Journey  
やっと会えた いまが嬉しくって

# 突然だけど偶然じゃない

ララララ…

なぜなんだ 言葉にならない  
心が君だけ探してたんだ  
明日またねなんて 笑ってたときから  
時間は過ぎ去ってしまったよ

ねえどうしてたの 元気にしてたかい？  
今でも忘れてない だけど…  
そんなこと言っているかな  
またどこかへと 消えちゃいそうでいやだな  
ちょっと怖いんだ ちょっと怖いよ

約束よりもっとね  
信じられるのはなんだろう  
運命論とは違うかも わからないから考えて  
真剣に悩んでるとこ  
ずっと眺めていたいけど  
幸せってさ 欲しがらだけじゃだめって気づいたんだ

なにもかも なんとかなるって思ったら  
君に会ったんだ  
突然だけど偶然じゃない  
本当にね 好きだな 好きだな  
いつだって 好きだよ 好きだよ

ララララ…

なぜかは知ってるよ  
君がいないなんて無理だよ この先無理だから  
なにがあっても 二度と離したくない  
なにがあっても そばにいたいなって  
そんなこと言っているかな  
またどこかへと 消えちゃうのはなしだよ  
だって寂しいよ 寂しいよ

ためらいはもう捨てちゃって  
信じあえるならいいよね  
理想論かな甘いかな わからないけど本心さ  
真剣に悩んでるのに  
伝わらない？ ああ人生ままならない！  
幸せってさ 望んだかたちとなんか違っても面白いね

なにもかも なんとかなるって思っちゃえ  
君に会ったのは  
突然だけど必然だったんだ  
本当にね 好きだな 好きだな  
いつだって 好きだよ 好きだよ  
本当にね 好きだな 好きだな  
いつだって 好きだよ 好きだよ

# 迷宮毎日デグチドコ？

どんなときも　ずっと仲良し

そんなわけないし

永遠になんて無理だから

ちょっとずつ醒めてく

楽しかったあの日は遠い

どっちが悪い？　相性悪いだけさ

さよならって　もう言っちゃおうかな

今度会うときこそ　それっきりです

さよならって　もう言っちゃいたいけれど

まだ言えそうにないな　あ～もやもや

言いたいことは　いっぱいだけどさ

言ったって無駄　届かないって知ってる

Ta-tu Ta-ra-ra Ta-tu Ta-ra-ra

迷宮なんだ毎日 Haa!

Ta-tu Ta-ra-ra Ta-tu Ta-ra-ra

ん～出口どこ？

さよならって　もう言っちゃおうかな

今度はなくていいや　これっきりです

さよならって　もう言っちゃっていいよね

声に出した途端に　出口かな

さよならって　もう言っちゃっていいよね

未来がないしなんか　つまんない　つらいつらい！

仲良かったとか錯覚かも

# 笑えないと思った夜は

欲得だけの世界を  
感じないように生きる  
優しげな約束は  
信じないように生きる

そこまでして 心を守らなくちゃいけないなんて  
人の理性とは知性とは 幻なのかな

笑えないと思った夜は  
嘘の中で 嘘の世を悲しもう  
誰といても わかりあえないのなら  
ひとりきりで 嘘の中旅しよう

笑えないよ 眠れないよ  
笑いたいな 眠りたいな  
笑えないよ 眠れないよ  
笑いたいな 眠りたいな

作りごとの方が真実みたいだ  
だったらそこへ逃げ込んで 綺麗な夢紡いでしょう  
いつまで 人類が消えるまで

眠れないよ もう朝は来ないんだろう  
月が消えた夜の底泳ごう  
誰といても わかりあえないことが  
あたりまえさ 何も考えたくない

笑えないと思った夜は  
嘘の中で 嘘の世を悲しもう  
誰といても わかりあえないのなら  
ひとりきりで 嘘の中旅しよう

笑えないよ 眠れないよ  
笑いたいな 眠りたいな  
信じられないね人の言葉は ただの言い訳さ

何もかも幻

Raspberries Know

...maybe maybe maybe!

# 鏡の名前 (Opening ver.)

誰もがひそかに持っている

心の鏡

望みや夢や欲望も 映す真実

ひとりきりの風景 求める君も

どこかで どこかで

自分だけの人を待ってる

たとえすれ違っても 時間はまわる

だから大切にしたい 今の気持ちを

会いに行こう 会いに行こう

君の名前知りたいよ

誰もがひそかに持っている

心の鏡

望みや夢や欲望も 映す真実

会いに行こう 会いに行こう

会いに行こう 会いに行こう

君は誰なの？

Tu tu ru...tiny tiny ooh!

Tu tu ru...tiny tiny haa!

# Romantic Journey

I wanted to see you, I wanted to see you  
I want to send my voice to you!  
My voice calling for you won't fade away

Romantic Journey

I've wanted to see you for so long, so long

Have you seen this sky somewhere?  
A sky so similar to the place of memories  
Ah, how nostalgic  
The fluttering excitement in my chest signaled the beginning  
A new dream

Romantic Journey

When I chased that dream, it just kept getting farther away  
Why is that?  
That's exactly why I want to grasp it, I want to catch it  
I want to adventure with you again and again  
My feelings won't change, I'll fly out with you

I wanted to see you, I wanted to see you  
My heart is searching, anytime, forever  
I wanted to see you, I wanted to see you  
I want to send my voice to you!  
My voice calling for you won't fade away

Romantic Journey

Finally, I've met you

That smile from long ago  
The scent of memories stirs my heart  
Ah, I waited... You won't forget, right?  
The flutter in my chest carves eternity  
An endless dream

Romantic Journey

Romantic Journey

I want to adventure with you now  
Come on, let's go. Let's fly away together

I wanted to see you, I wanted to see you  
My heart is searching, anytime, forever  
I wanted to see you, I wanted to see you  
I want to send my voice to you!  
My voice calling for you won't fade away

Romantic Journey

Finally, I've met you

Still more, still more  
The continuing story opens the door you wish for  
Romantic Journey  
Because I've always wanted to see you  
Romantic Journey  
Finally, I've met you, I'm so happy now

# Suddenly but I've always loved you

La la la la...

Why is it I can't find the words?  
My heart was searching only for you  
Ever since we laughed saying "See you tomorrow"  
Time has slipped away

Hey, how have you been? Are you doing okay?  
I still haven't forgotten... but  
Is it okay for me to say that?  
It feels like you might vanish somewhere again  
I'm a little uneasy, a little uneasy

More than a promise  
What can I really believe in?  
Maybe it's not fate—I don't know, so I think  
About you, seriously troubled  
I want to watch you forever  
But I realized happiness isn't just about wanting it  
  
Back when I hoped life would somehow work out  
Meeting you was pure luck  
Sure, that encounter was sudden, but it wasn't by chance  
Really, I love you, I love you  
Always, I love you, I love you

La la la la...

I know why  
I can't live without you  
I just can't go on like this  
No matter what happens, I never want to let you go again  
No matter what happens, I want to be by your side  
Is it okay to say that?  
You can't just disappear somewhere again  
Because I'd be lonely. So lonely

Let's cast aside our hesitation  
If we can trust each other, that's good, right?  
Is it idealistic? Too naive?  
I don't know, but it's my true feelings  
I'm seriously troubled, but can't you tell?  
Ah, life is so unpredictable!  
Happiness, you know, even if it's not the form you wished for  
It's still interesting, isn't it?  
  
Everything will work out somehow.  
Because meeting you again  
Sudden, but it was inevitable  
Really, I love you, I love you  
Always, I love you, I love you  
Truly, I love you, I love you  
Always, I love you, I love you

# A labyrinth of days, where is the exit?

---

No matter what happens, we trust each other  
Sadly, that's impossible  
We can't keep believing in each other forever  
People drift apart little by little

Those happy days are long gone  
Whose fault is it?  
It's nobody's fault, we're just incompatible

Maybe it's time to say goodbye?  
The next time we meet might be the last  
I want to say goodbye already  
But I still can't... Ah, this frustration

Ta-tu ta-la-la ta-tu ta-la-la  
Every day is a maze. Haa!  
Ta-tu ta-la-la ta-tu ta-la-la  
Hmm~ Where's the exit?

There's so much I want to say  
But I know it's pointless, it won't reach you

Should I say goodbye already?  
I don't need a next time, this is the end  
It's okay to say goodbye, right?  
The moment I say goodbye  
Maybe that's the exit I've been searching for?

It's okay to say goodbye, right?  
There's no future, just... Boredom, I can't stand it anymore!  
Even the things I thought I could believe in  
Might have been an illusion

# Nights when I can't smile anymore

---

To avoid feeling the emptiness of this world driven only by greed

I must live without feeling it

Promises that seem believable

I must live without believing them

That I must protect my heart to such an extent

I thought humans possessed reason and intellect

But perhaps that notion was naive

Nights when I can't smile anymore

All I can do is grieve in lies, in this world of lies

If I cannot trust people, then no matter who I'm with

All I can do is travel alone, within the lies

I can't laugh, I can't sleep

I want to laugh, I want to sleep

I can't laugh, I can't sleep

I want to laugh, I want to sleep

Fiction feels more real than truth.

Then I'll escape there and spin beautiful dreams

Until when? Until humanity vanishes

I can't sleep

Morning won't come anymore.

I'll swim the depths of nights when the moon vanishes

The fact that I can't trust people

Too empty to even want to think about anything

Nights when I can't smile anymore

All I can do is grieve in lies, in this world of lies

If I cannot trust people, then no matter who I'm with

All I can do is travel alone, within the lies

I can't laugh, I can't sleep

I want to laugh, I want to sleep

I can't believe it People's words are just excuses

Everything is an illusion

# Name of the mirror (Opening ver.)

---

Everyone secretly holds  
A mirror within their heart  
Reflecting their own wishes, dreams, and desires  
If that is true

You who seek a solitary landscape  
Yet somewhere, somewhere  
Are waiting for someone just for you  
Even if we pass each other by Time keeps turning  
So cherish the feeling of wanting to meet

Let's go meet them, let's go meet them  
Reflected in the mirror within my heart  
I want to know your name

Everyone secretly holds  
A mirror within their heart  
Reflecting their own wishes, dreams, and desires  
If that is true

Let's go meet them, let's go meet them  
Let's go meet them, let's go meet them  
Who are you?
